2016 Associate Member Breakfast

SPONSORSHIP OPPORTUNITY

The Associate Member Breakfast on Tuesday, November 22, 2016 serves as a fundraiser to help support CAODC initiatives. This year, we're allocating **all sponsorship dollars raised to the Oil Respect campaign**, a campaign that has gained considerable momentum since its launch in February 2016. Your sponsorship will go towards:

- 1) Addressing the misinformation and half-truths spread by opponents of oil and gas
- 2) Giving regular people who support the industry a voice so they may join the national discussion
- 3) Reminding the public, media, and government that the affordable energy from oil and gas development, pipelines, refining and processing is one of the most important reasons why developed countries like Canada enjoy such high standards of living

We recognize there are economic challenges within our industry at the moment, so we invite you to donate a sponsorship amount of your own choosing. All perks and recognitions listed below will be honoured for any dollar amount given.

YOUR SPONSORSHIP GETS YOU:

Pre-Event Recognition

- Logo displayed on the CAODC event webpage from Oct 15 – Nov 15, 2016

At the Event

- Each sponsor will get their own slide in a looping sponsor-ship slide presentation.
- Verbal recognition at event

Post-Event Recognition

- Recognition in a post-event *Hitch Blog* article and in CAODC's E-News
